THIS PLAN HELPS PROVIDE AN INCOME WHEN YOU CAN'T WORK

If a covered disabling sickness or injury suddenly took away your ability to work and as a result also took away your ability to earn a paycheck . . . how would you continue to afford the living expenses you must now pay? With the Group Disability Income Insurance Plan sponsored by your association, a portion of your income would continue in the form of a monthly benefit that you select. Don't let a disability take away your income. Rely on the protection provided by the Group Disability Income Insurance Plan.

WHO CAN APPLY

All Actively-at-Work (at least 20 hours per week) members and spouses/domestic partners not legally separated or divorced from the member, under age 60 may apply for this coverage. Member must apply for Spouse to apply. Member and spouse may not duplicate coverage by applying as dependents of each other.

Spouse includes domestic partners who have provide a domestic partner affidavit or other documentation as required by law.

This coverage is not available in all states.

HOW THIS PLAN WORKS - PLAN II

PLAN II pays up to age 65 if you are Totally Disabled due to a covered Injury or Sickness. Under Plan II, you have a choice of a 60, 90 or 180-day Elimination Period for benefits to begin. If Total Disability occurs at or after age 63, benefits are paid to a maximum of 2 years.

YOU CAN SELECT FROM \$400 TO \$6,000 IN MONTHLY BENEFITS

You select the monthly benefit you wish to receive ranging from \$400 to \$6,000 per month (in \$100 increments). Your Monthly Benefit should not exceed 60% of your Pre-Disability Earnings. The actual monthly benefit amount at claim will be the lesser of: a) the benefit amount you selected, or b) 65% of your Pre-Disability Earnings less any Other Income Benefits you may receive and all other income from any employer or for any work.

This example is for purposes of illustrating the effect of the benefit reductions and is not intended to reflect the situation of a particular claimant under the policy:

Insured's Pre-Disability Earnings	\$3,000.00
Disability benefits percentage	x 60%
Unreduced maximum benefit	\$1,800.00
Less any Social Security disability benefit per month	-\$900.00
Less any State Disability benefit per month	-\$300.00
Total amount of disability benefit per month	\$600.00

IMPORTANT PLAN FEATURES

Managed Disability Approach

The Managed Disability approach encourages a healthy lifestyle through prevention and wellness programs. When an individual becomes disabled, they are helped with rehabilitation and motivation to return to work as soon as reasonably possible.

Successive and Recurrent Disabilities Limitation

The insured member will receive their selected benefit for disabilities, which are recurrent in nature. Recurrent periods of the same or related disabilities are payable as new benefit periods (eligible for new maximum durations) when separated by six consecutive months of full-time active employment. Periods of disability, if due to the same or related medical causes and separated by fewer than six months while you are Actively-at-Work, are considered a single period of Successive disability. Periods of disability from entirely unrelated causes are considered separate periods of disability.

Benefits during any Period of Disability as the result of: more than one Sickness; or more than one Injury; or both Sickness and Injury; will be considered the same as if the Disability resulted from only one cause.

EFFECTIVE DATE

Your and your Spouse's insurance will become effective on the first of the month on or next following the date of approval of your and your Spouse's application, provided the required premiums are paid. However, your Spouse's coverage will not become effective prior to the date your coverage becomes effective. Acceptance into this plan is subject to medical evidence of insurability as determined by The Hartford. Depending on your age, the amount of coverage you request, and your answers on the application, a medical examination, medical test(s), or other evidence of good health may be required. Any exams/ tests requested by the company will be conducted at your convenience and at no expense to you.

CONVENIENT PAYMENT OPTIONS

You are able to choose between two premium payment options, whichever one best suits your needs:

Option 1: Automatic Monthly Check Withdrawal. Your premium will be automatically deducted from your checking account on a monthly basis. This not only saves you time, but you don't have to worry about missing a payment.

Option 2: Semi-Annual Direct Bill.

SATISFACTION GUARANTEED

When you receive your Certificate of Insurance, review it carefully. If you are not completely satisfied with the terms of your coverage, simply return your Certificate within 30 days and any premiums that have been paid will be promptly refunded in full, minus any claims paid.

IMPORTANT DEFINITIONS

Total Disability

You or your spouse are considered totally disabled if you or your spouse have a disability during the Elimination Period and the following 24 months that prevents you or your spouse from performing the essential duties of your or your spouse's occupation. Thereafter, you or your spouse are totally disabled if you or your spouse are continuously unable to engage in any occupation for which you or your spouse are qualified by education, training or experience.

However, if you or your spouse are Totally Disabled due to Mental Illness, alcoholism or Substance Use Disorder, the Maximum Payment Period will be reduced to 2 years during your or your spouse's lifetime unless you or your spouse are confined in a hospital or other institution licensed to provide care and treatment for that disability.

Disabled and Working Benefit

You or your Spouse may receive a Disabled and Working benefit. The Disability must begin before You or Your Spouse attain age 60 while You/Your Spouse are covered under this plan. Benefits will continue until Your/Your Spouse's monthly earnings while You and Your Spouse are Disabled and Working exceed 80% of Your/Your Spouse's Pre-Disability Earnings, until You/Your Spouse are eligible for benefits under the Disability Benefit due to the same or related causes or the date You or Your Spouse return to work in an occupation other than Your or Your Spouse's own.

Pre-Disability Earnings

-If You or Your Spouse are self-employed, your average net monthly income after business expenses for 12 months or 24 months, whichever produces the higher average, or

-If You or Your Spouse are not self-employed, Your or Your Spouse's regular monthly rate of pay (not commissions, bonuses, tips and tokens, overtime pay or any other fringe benefits or extra compensation) in effect on the last day You or Your Spouse were Actively at Work before You or Your Spouse became Disabled.

Other Income Benefits

The actual benefit you receive at the time of your claim may be different, depending upon your income, offsets for Other Income Benefits and other variables. Other Income Benefits means the amount of any benefit for loss of income that you or your family receive or are eligible to receive from Social Security Disability Income or similar plans; Worker's Compensation or occupational disease laws or similar laws; group, association, union or other organizational coverage; employer-related individual policies; governmental laws or programs that provide disability or unemployment benefits as a result of your job with any employer; disability coverage under any employer's retirement plan; damages or settlements for income loss; and no-fault automobile insurance plans.

Other Income Benefits also include retirement benefits from retirement plans that are wholly or partially funded by employer contributions, unless you were receiving them prior to becoming disabled or you immediately transfer the payments to another plan qualified by the U.S. Internal Revenue Service for the funding of a future retirement. Finally, Other Income Benefits include retirement benefits you or your family receives from Social Security or similar plans, unless you were receiving them prior to becoming disabled.
